

Nueces Canyon Chamber of Commerce Membership Application

This membership is going to be provided at no cost. Funds given to the Chamber by the Round-Up fundraising will be used to finance Chamber Operations. Hopefully, this service can be provided to the community for free every year. However, this cannot be guaranteed, and in the future, there could be a small fee. Again, the hope is that the Chamber can always provide this service free to our local businesses, not for profit organizations, churches, etc. Membership will include a free listing on our website <https://nuecescanyonchamber.org>
